Mornin'.

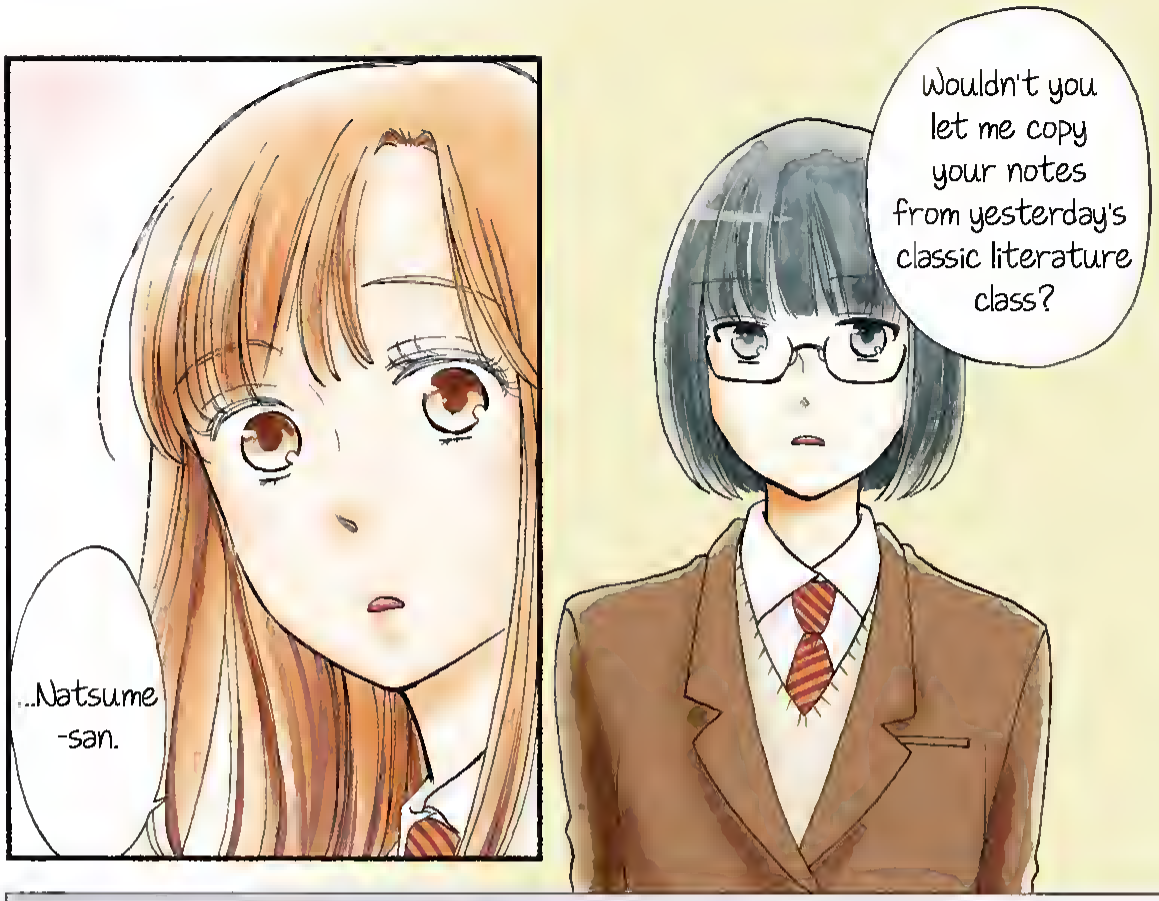
Sorry, Yuuri. Let me copy your translation, they're picking me for English class today.
Sure.
Yuuri... Let me copy your math assignment.
I don't get it...
Me neither.
Again?
Since you insist.
Thanks.
Aikawa-san.



Last time I heard her voice was during self-introduction. I... think.

Natsume-san had
a very cute voice.
友情なのか恋なのか
Is it friendship?
Is it love?
I just want to become someone special to you...

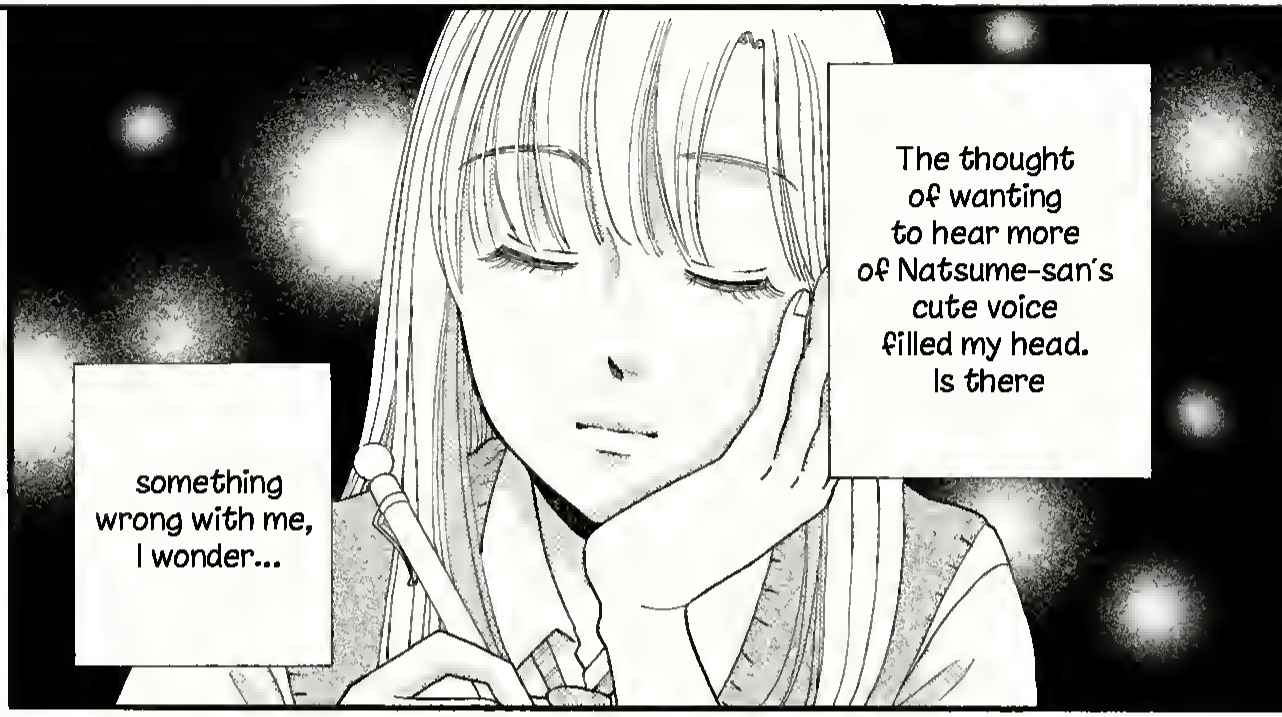
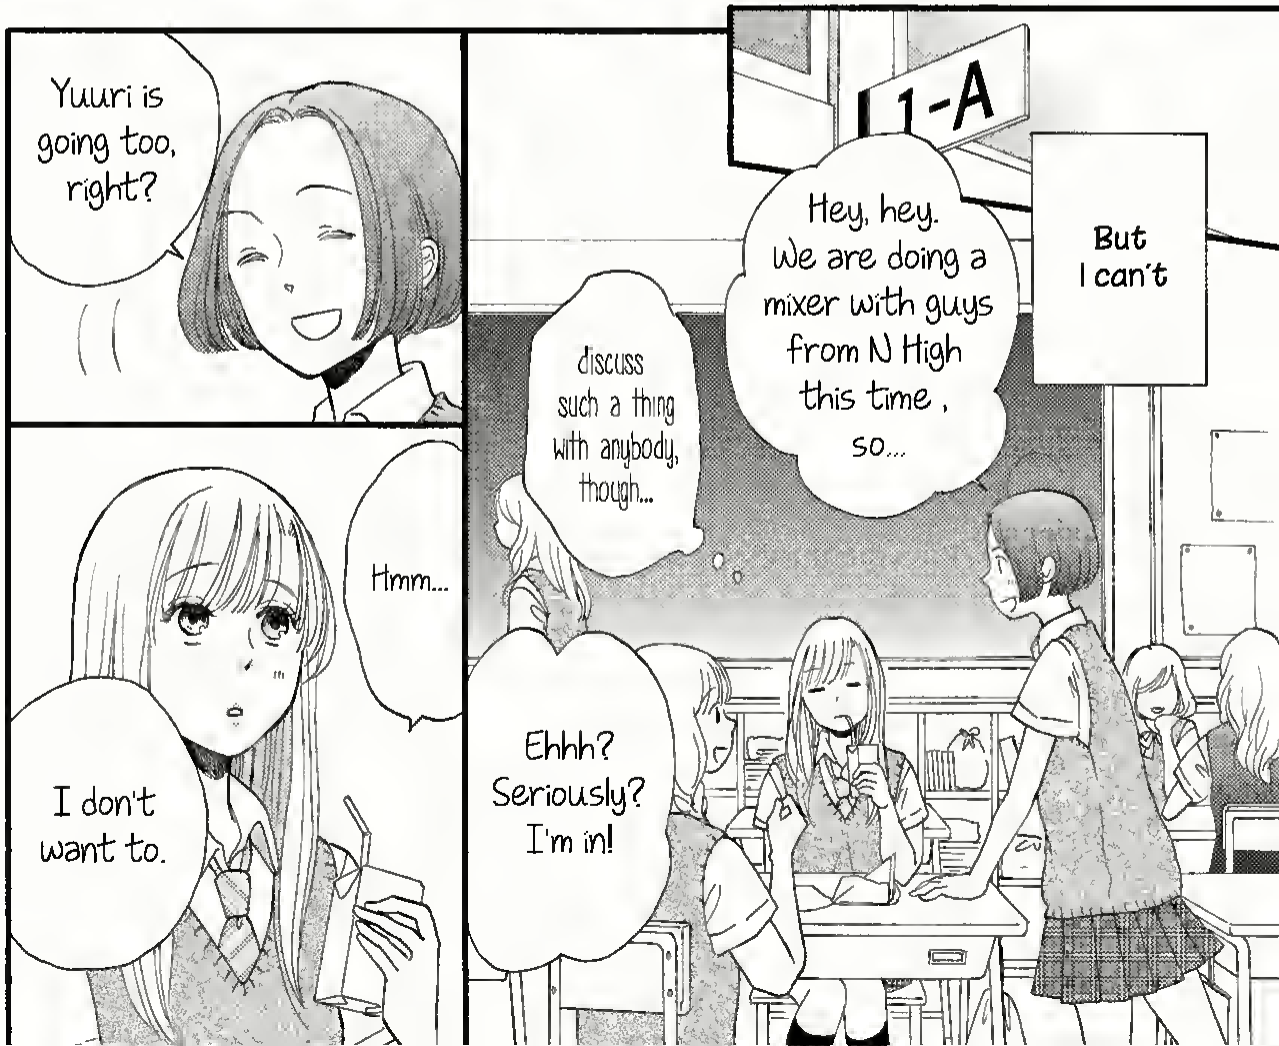
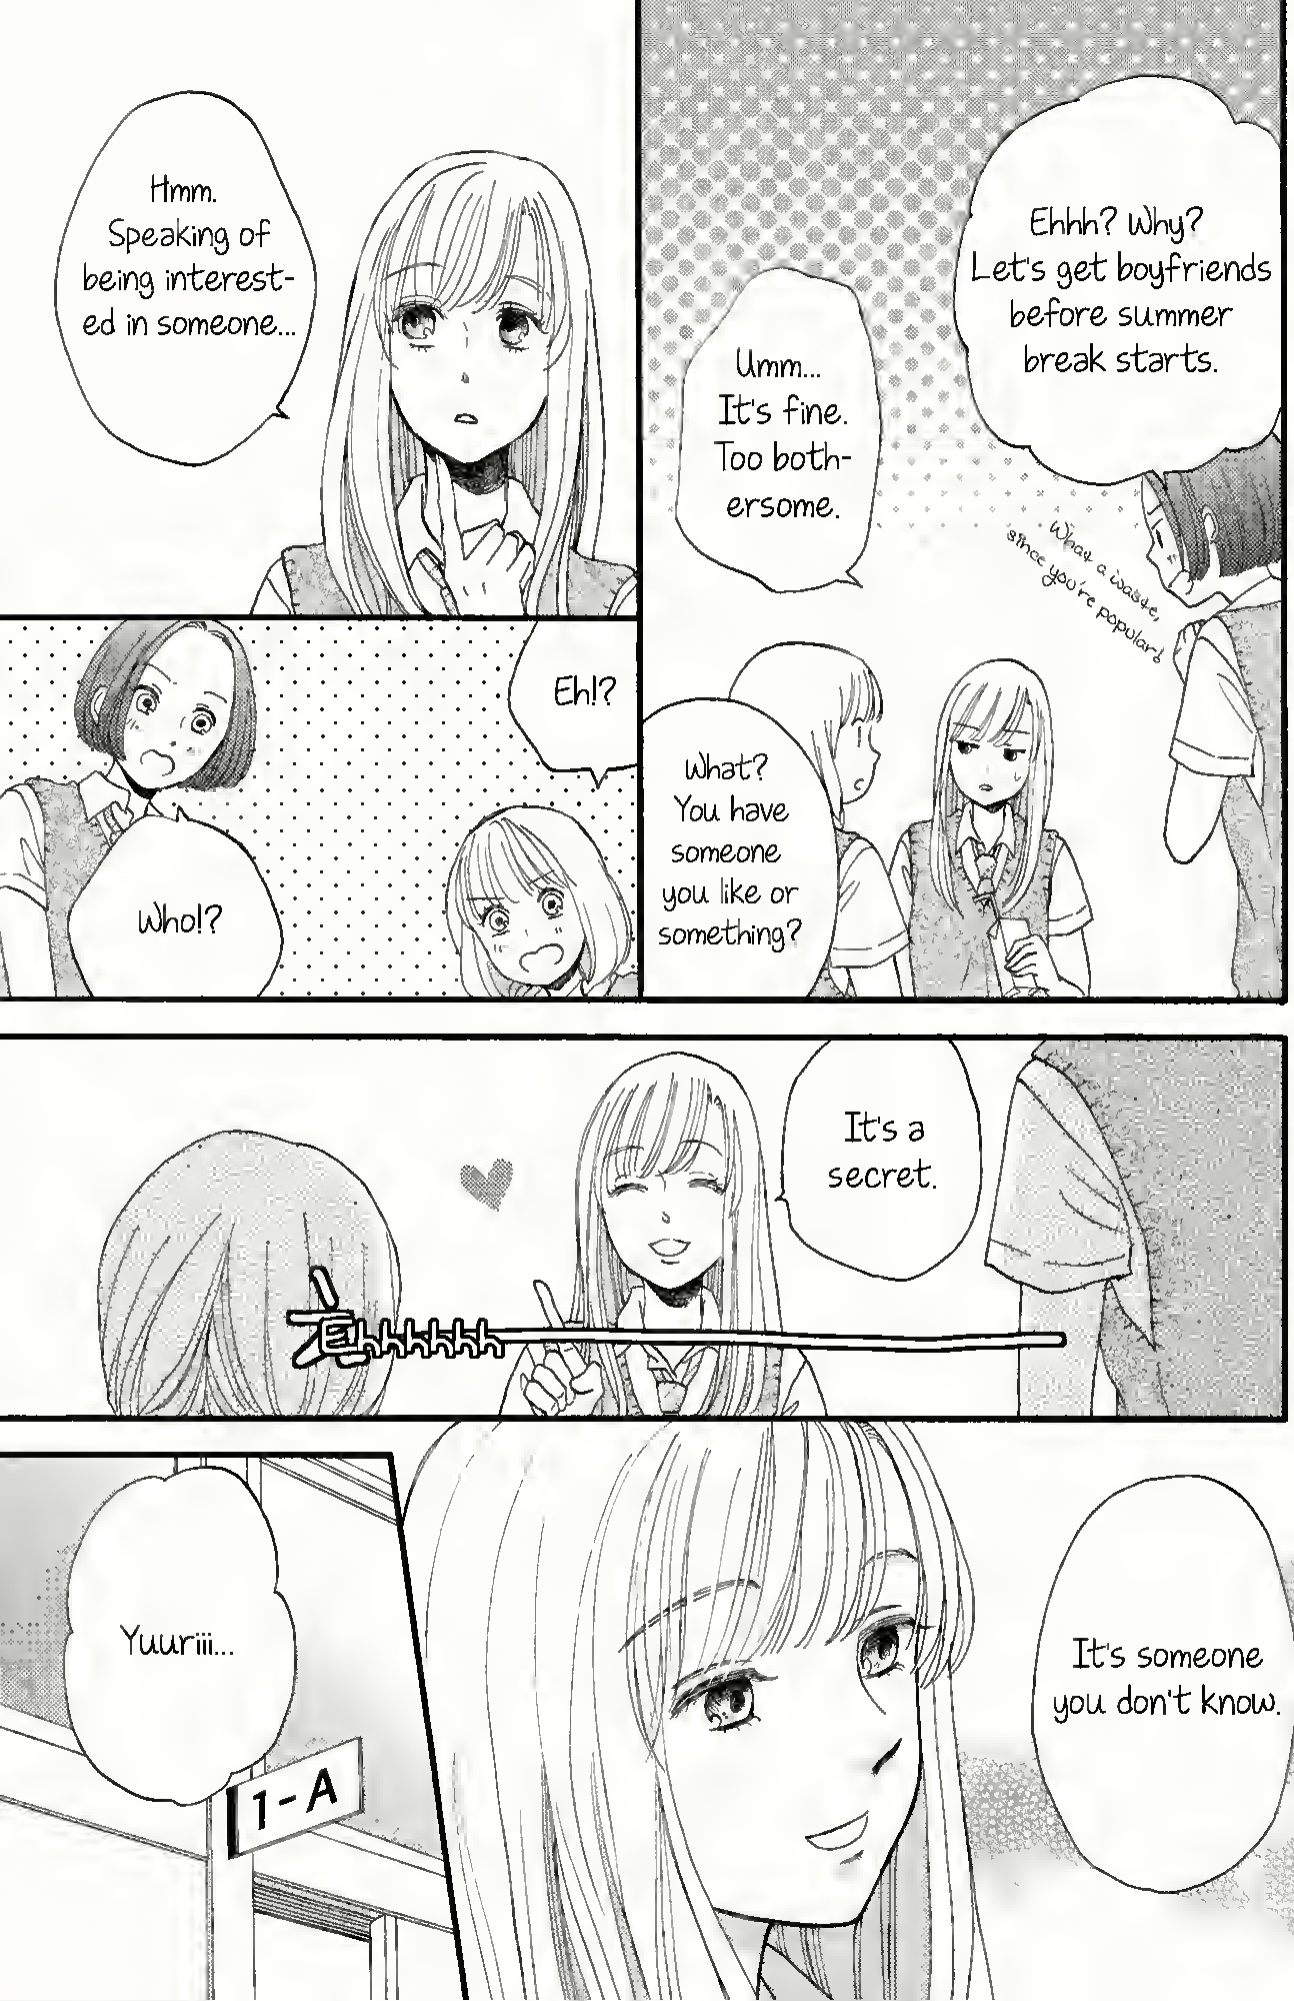
Since then, my relationship with Natsume-san turned into occasionally, reeeally occasionally me lending her my notes.
That was it.
Natsume-san was always alone.
Something I noticed is that during Monday's classic literature class she has a habit of dozing off.
That's all I know...
She's sleeping again...
Seems like she'll come borrow them tomorrow for sure...

"Wouldn't you let me copy your notes?"

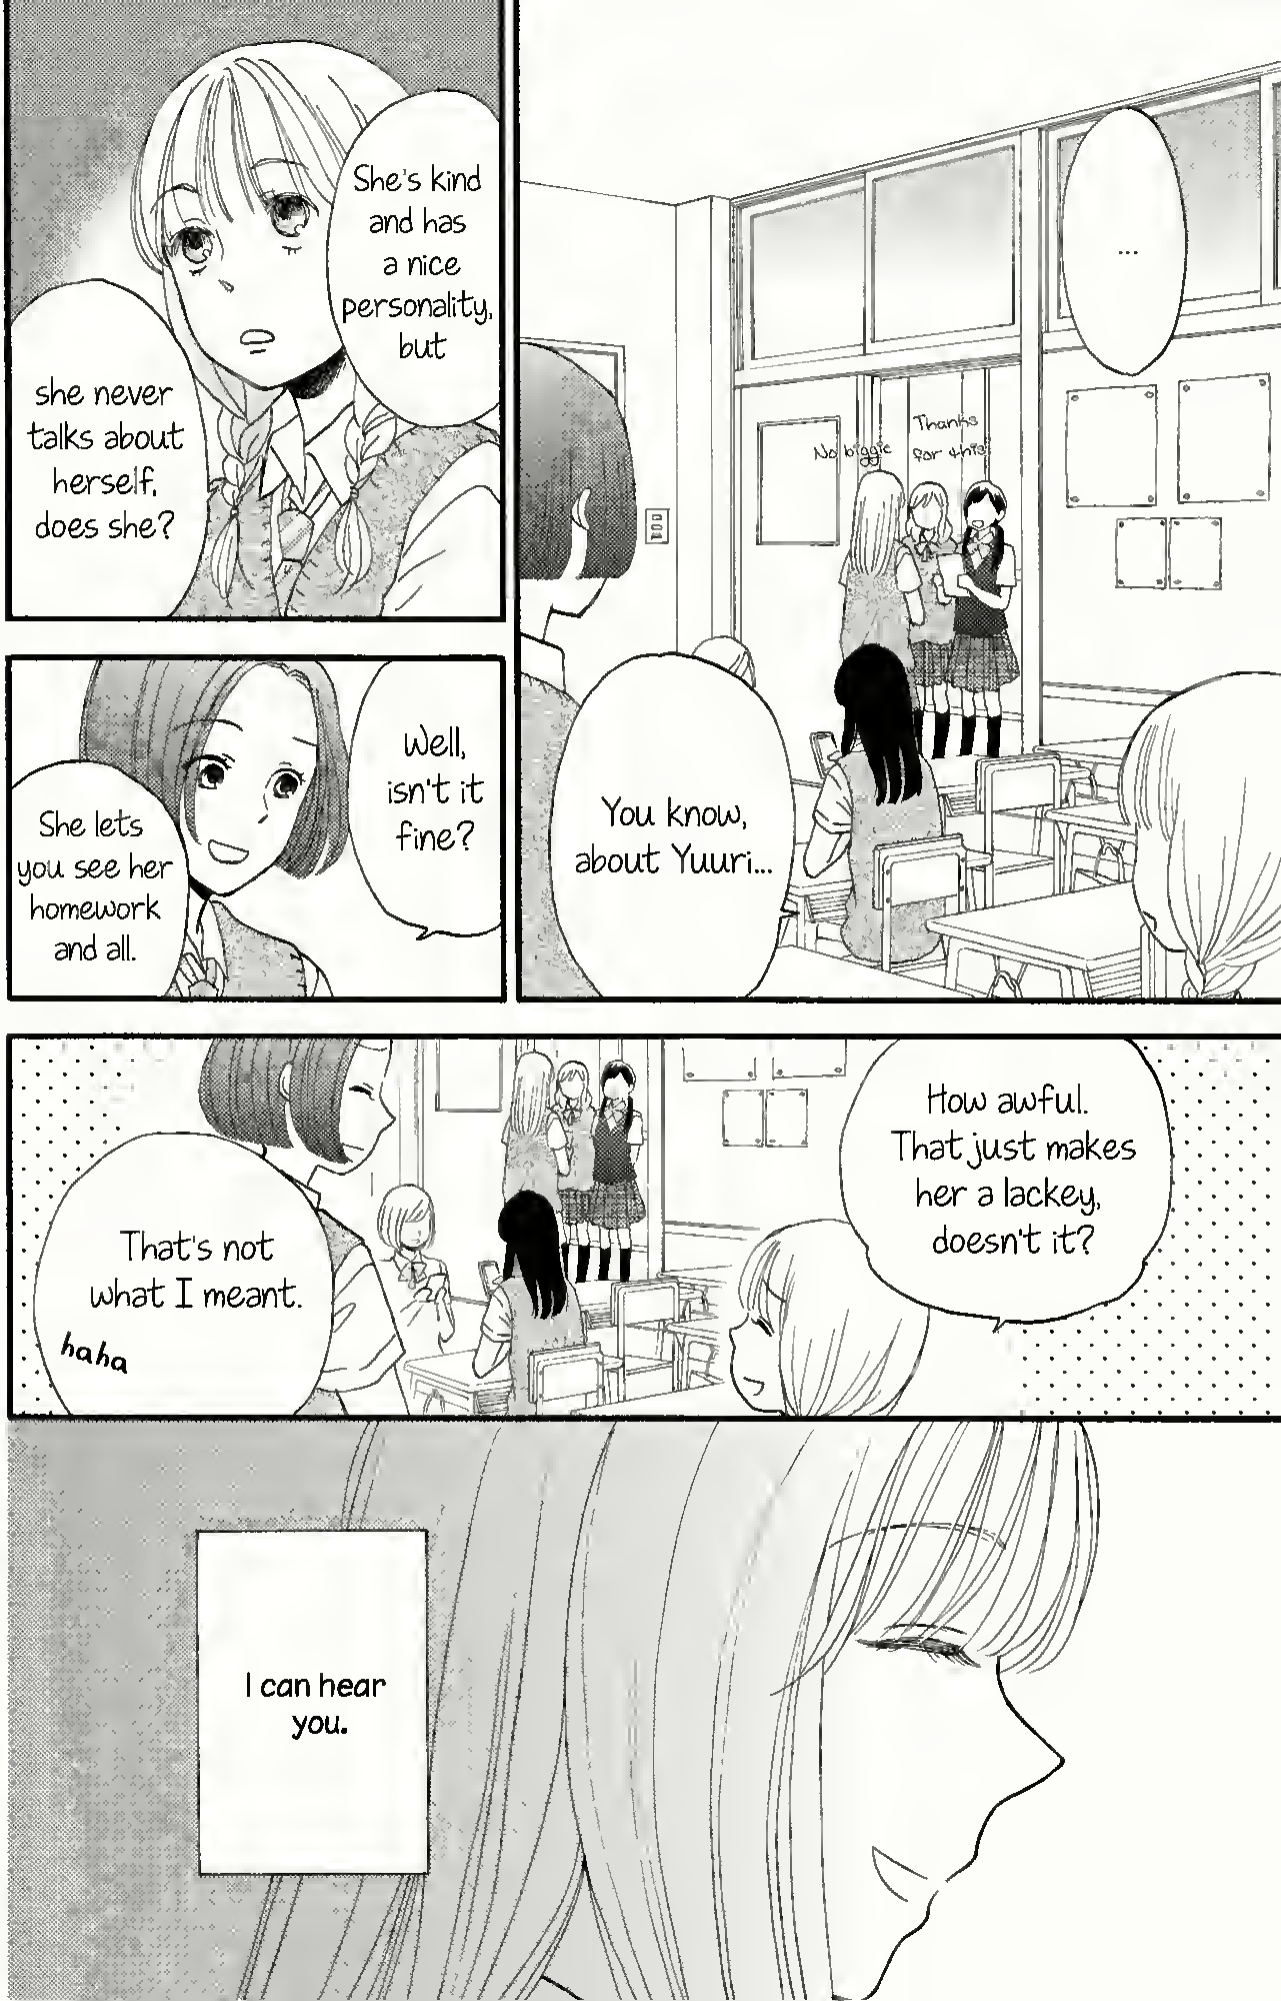




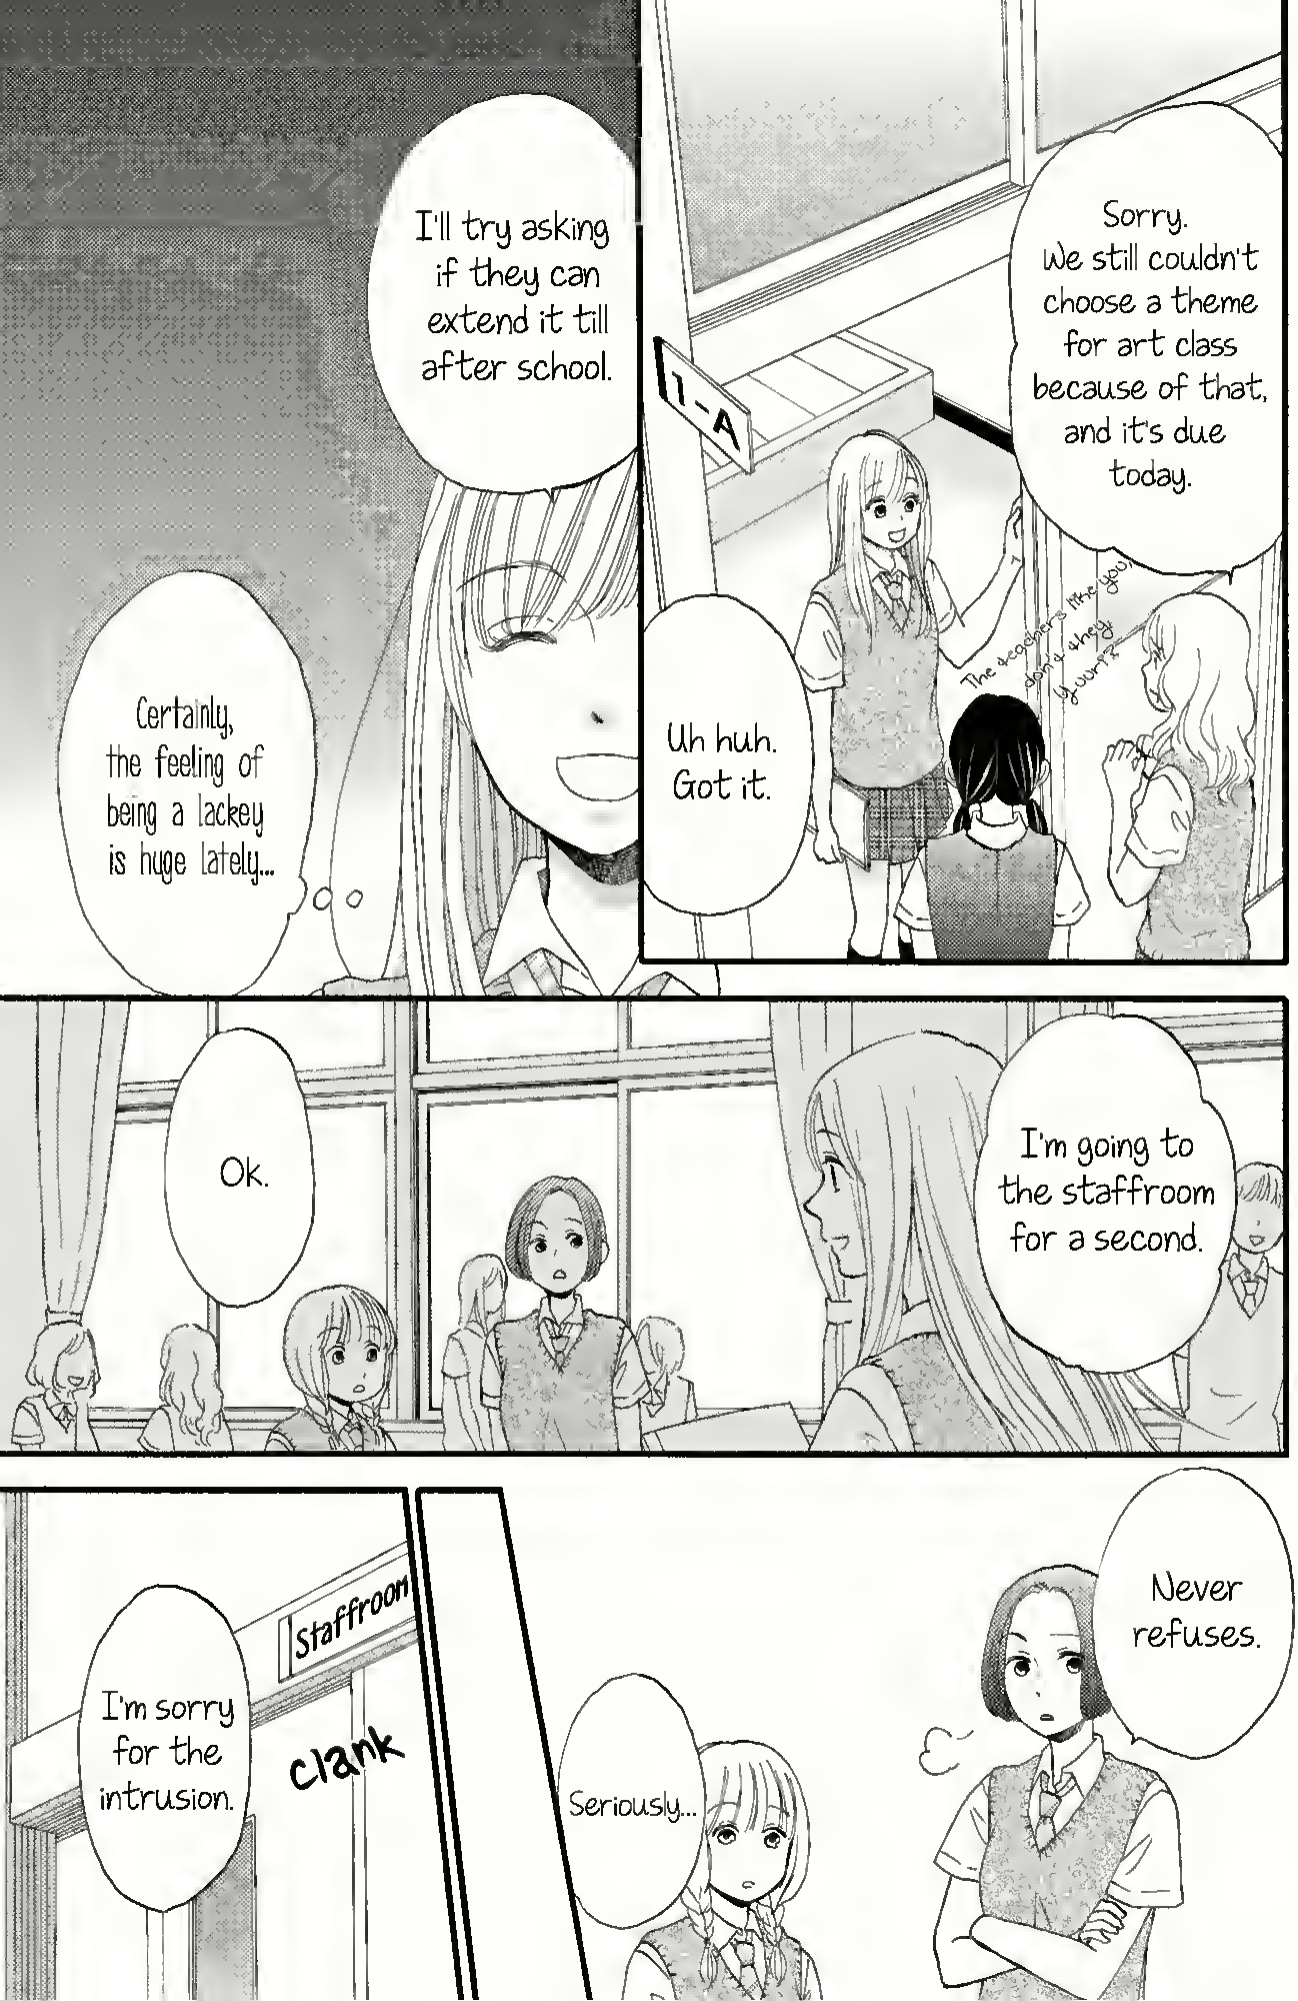
1-A
But I can't
Hey, hey. We are doing a mixer with guys from N High this time, so...
discuss such a thing with anybody, though...
Ehhh? Seriously? I'm in!
Yuuri is going too, right?
Hmm...
I don't want to.



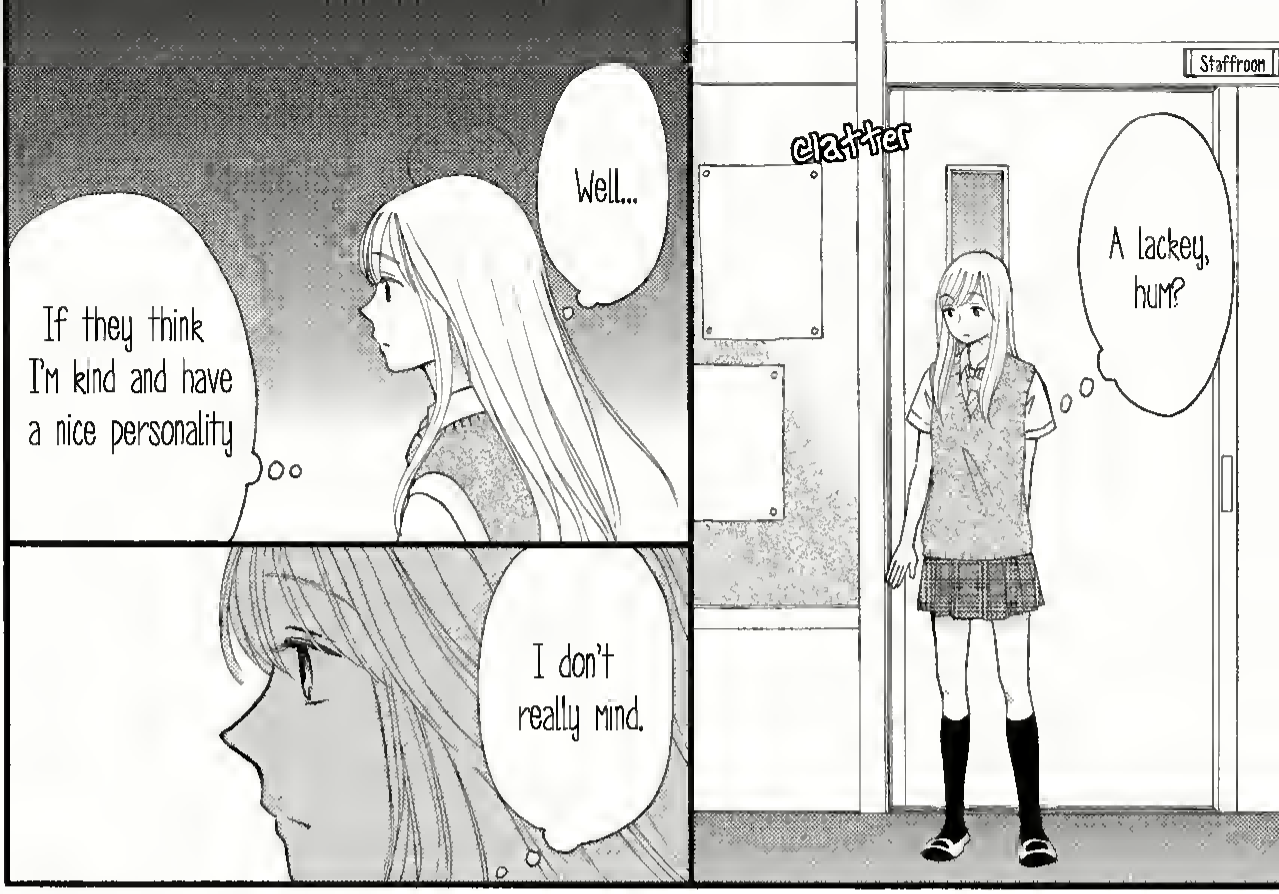
Hmm. Speaking of being interest-ed in someone...
Ehhh? Why? Let's get boyfriends before summer break starts.
Umm... It's fine. Too both-ersome.
What a waste, since you're popular
Eh!?
Who!?
What? You have someone you like or something?
It's a secret.
Eeeeeeeh
Yuuriii...
1-A
It's someone you don't know.



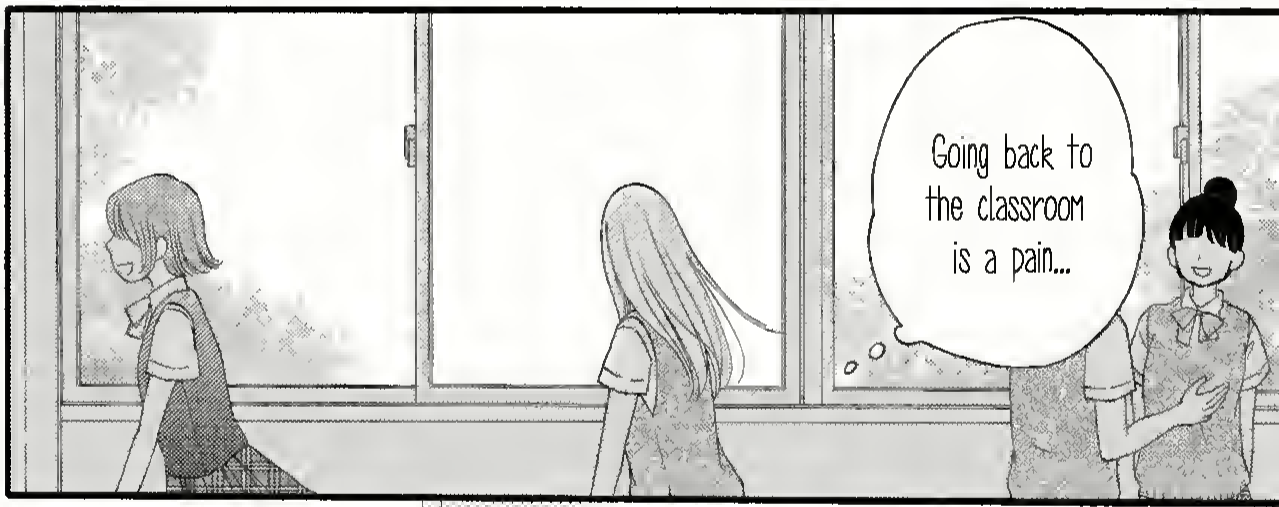
She's kind and has a nice personality, but
she never talks about herself, does she?
Well, isn't it fine?
She lets you see her homework and all.
You know, about Yuuri...
...
No biggie
Thanks for that!
How awful. That just makes her a lackey, doesn't it?
That's not what I meant.
haha
I can hear you.



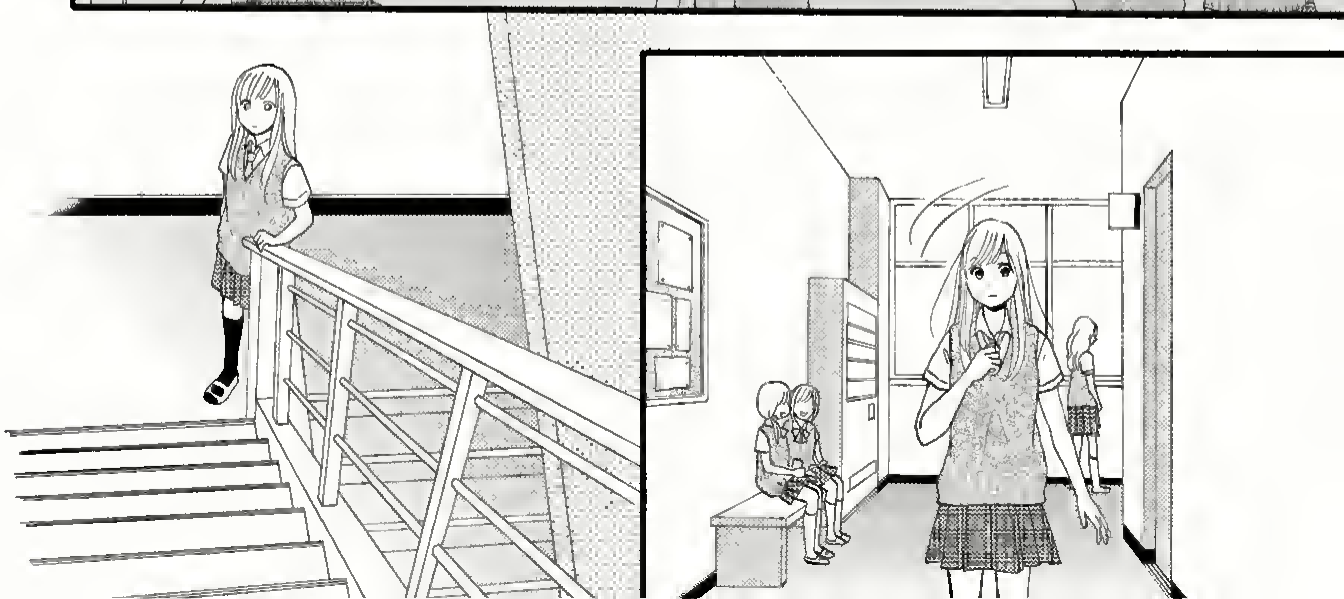
I'll try asking if they can extend it till after school.
Sorry. We still couldn't choose a theme for art class because of that, and it's due today.
1-A
The teachers like you, don't they, Yuuri?
Certainly, the feeling of being a lackey is huge lately...
Uh huh. Got it.
Ok.
I'm going to the staffroom for a second.
Staffroom
I'm sorry for the intrusion.
clank
Seriously...
Never refuses.



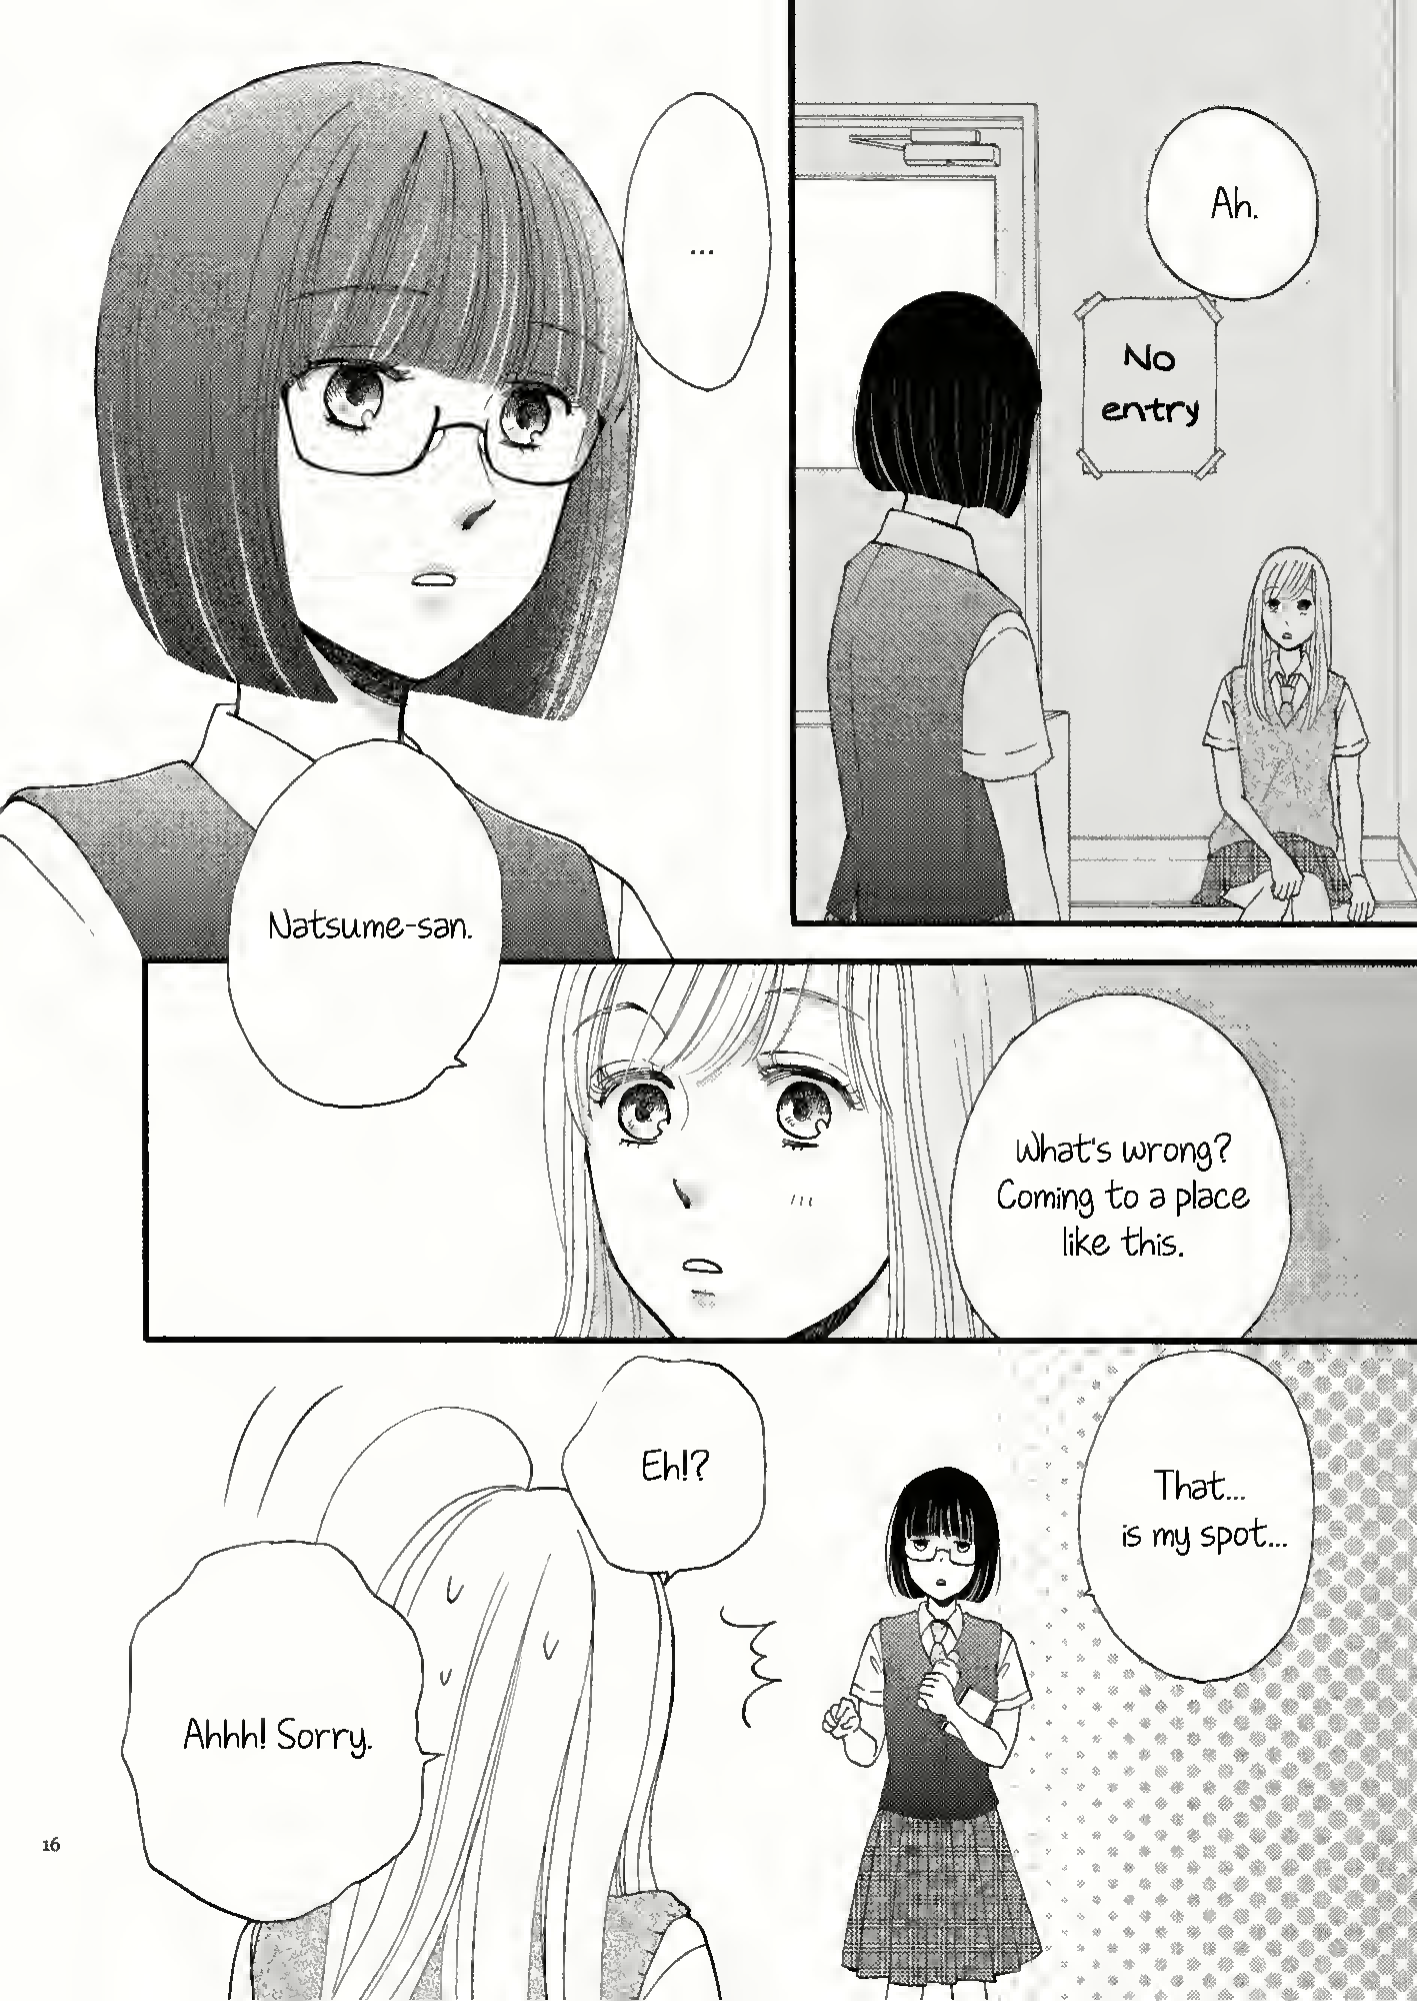
Well...
If they think I'm kind and have a nice personality
I don't really mind.
Staffroom
clatter
A lackey, hum?



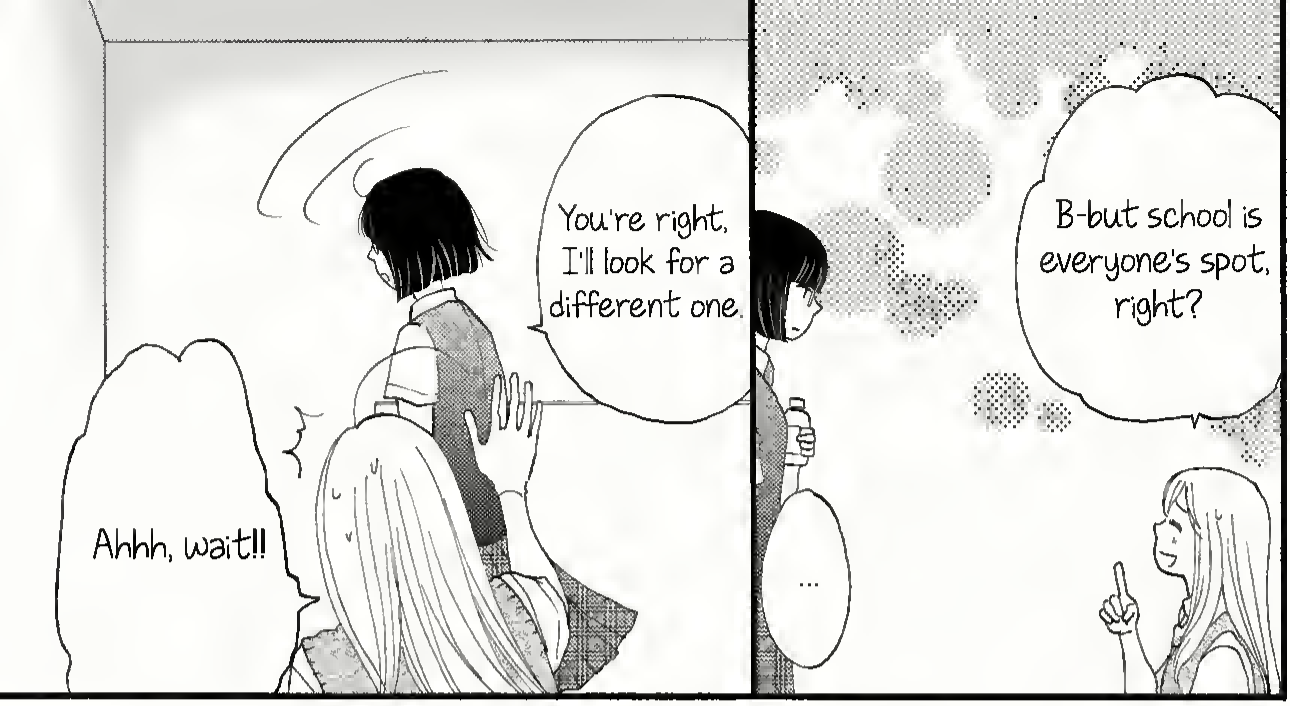
Going back to the classroom is a pain...



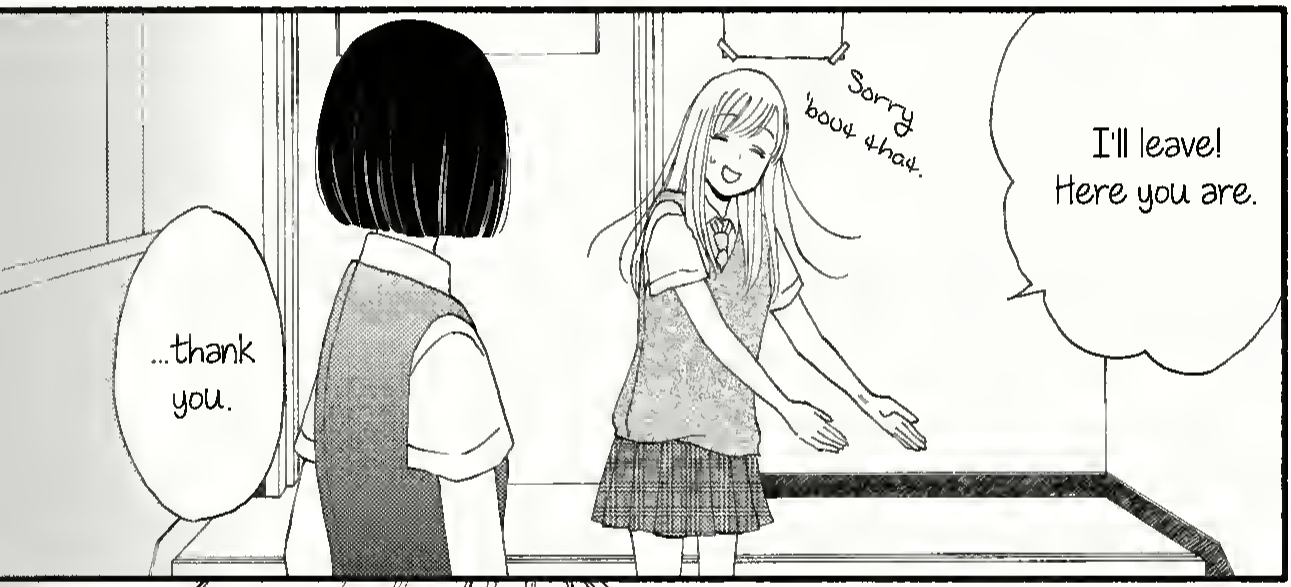
Here's good.
Cool and quiet.
The wall feels nice...
No entry



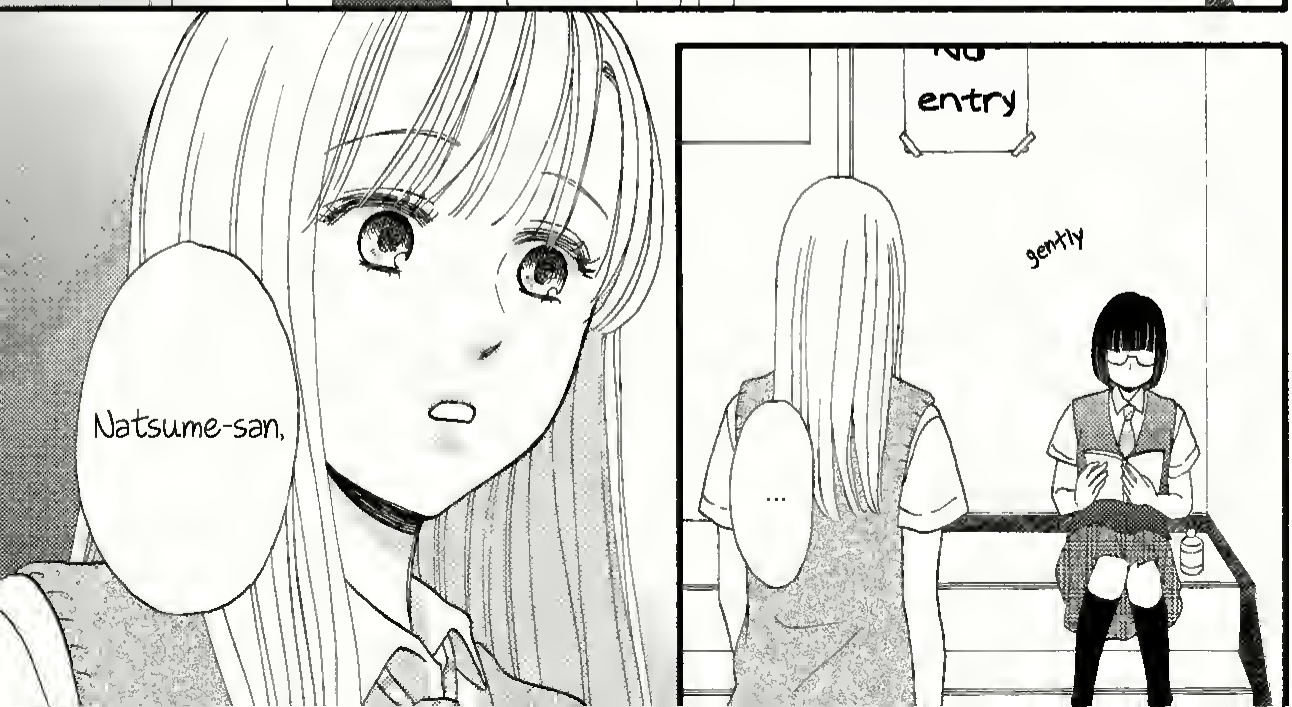
...
Natsume-san.
Ah.
No entry
What's wrong? Coming to a place like this.
That... is my spot...
Eh!?
Ahhh! Sorry.



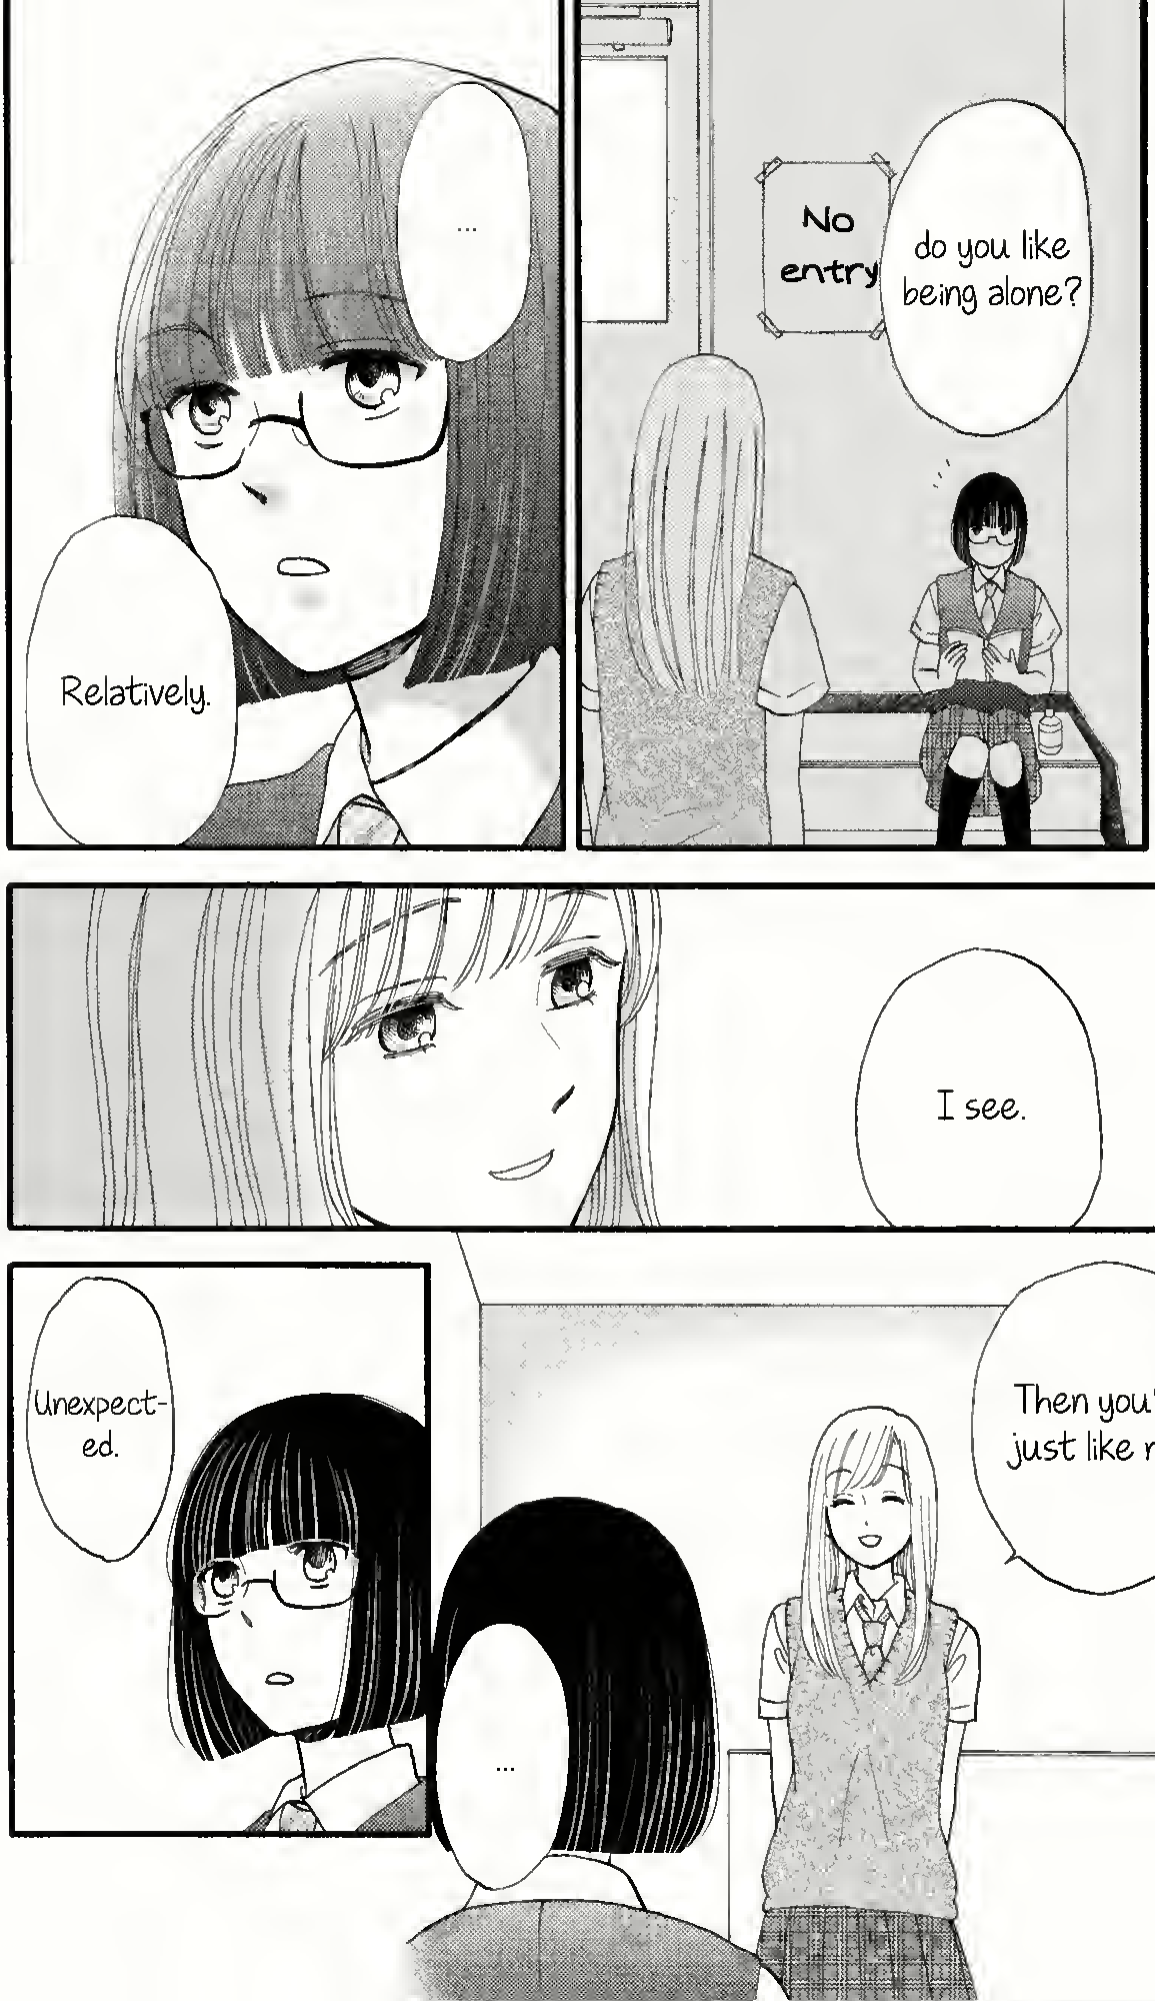
B-but school is everyone's spot, right?
...
You're right, I'll look for a different one.
Ahhh, wait!!



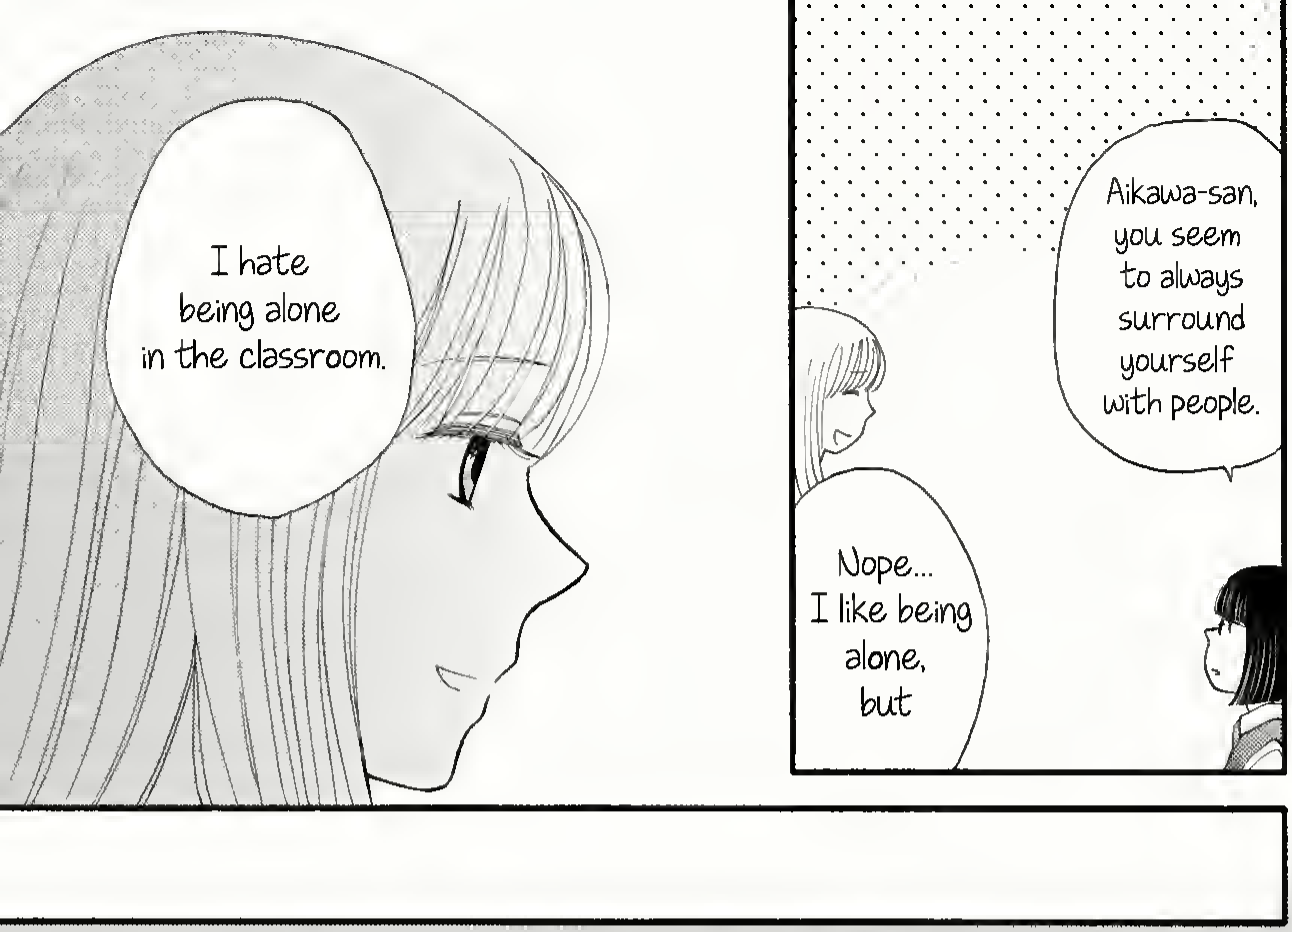
I'll leave! Here you are.
Sorry 'bout that.
...thank you.



entry
gently
...
Natsume-san,



...
Relatively.
No entry
do you like being alone?
I see.
Unexpect-ed.
...
Then you're just like me.



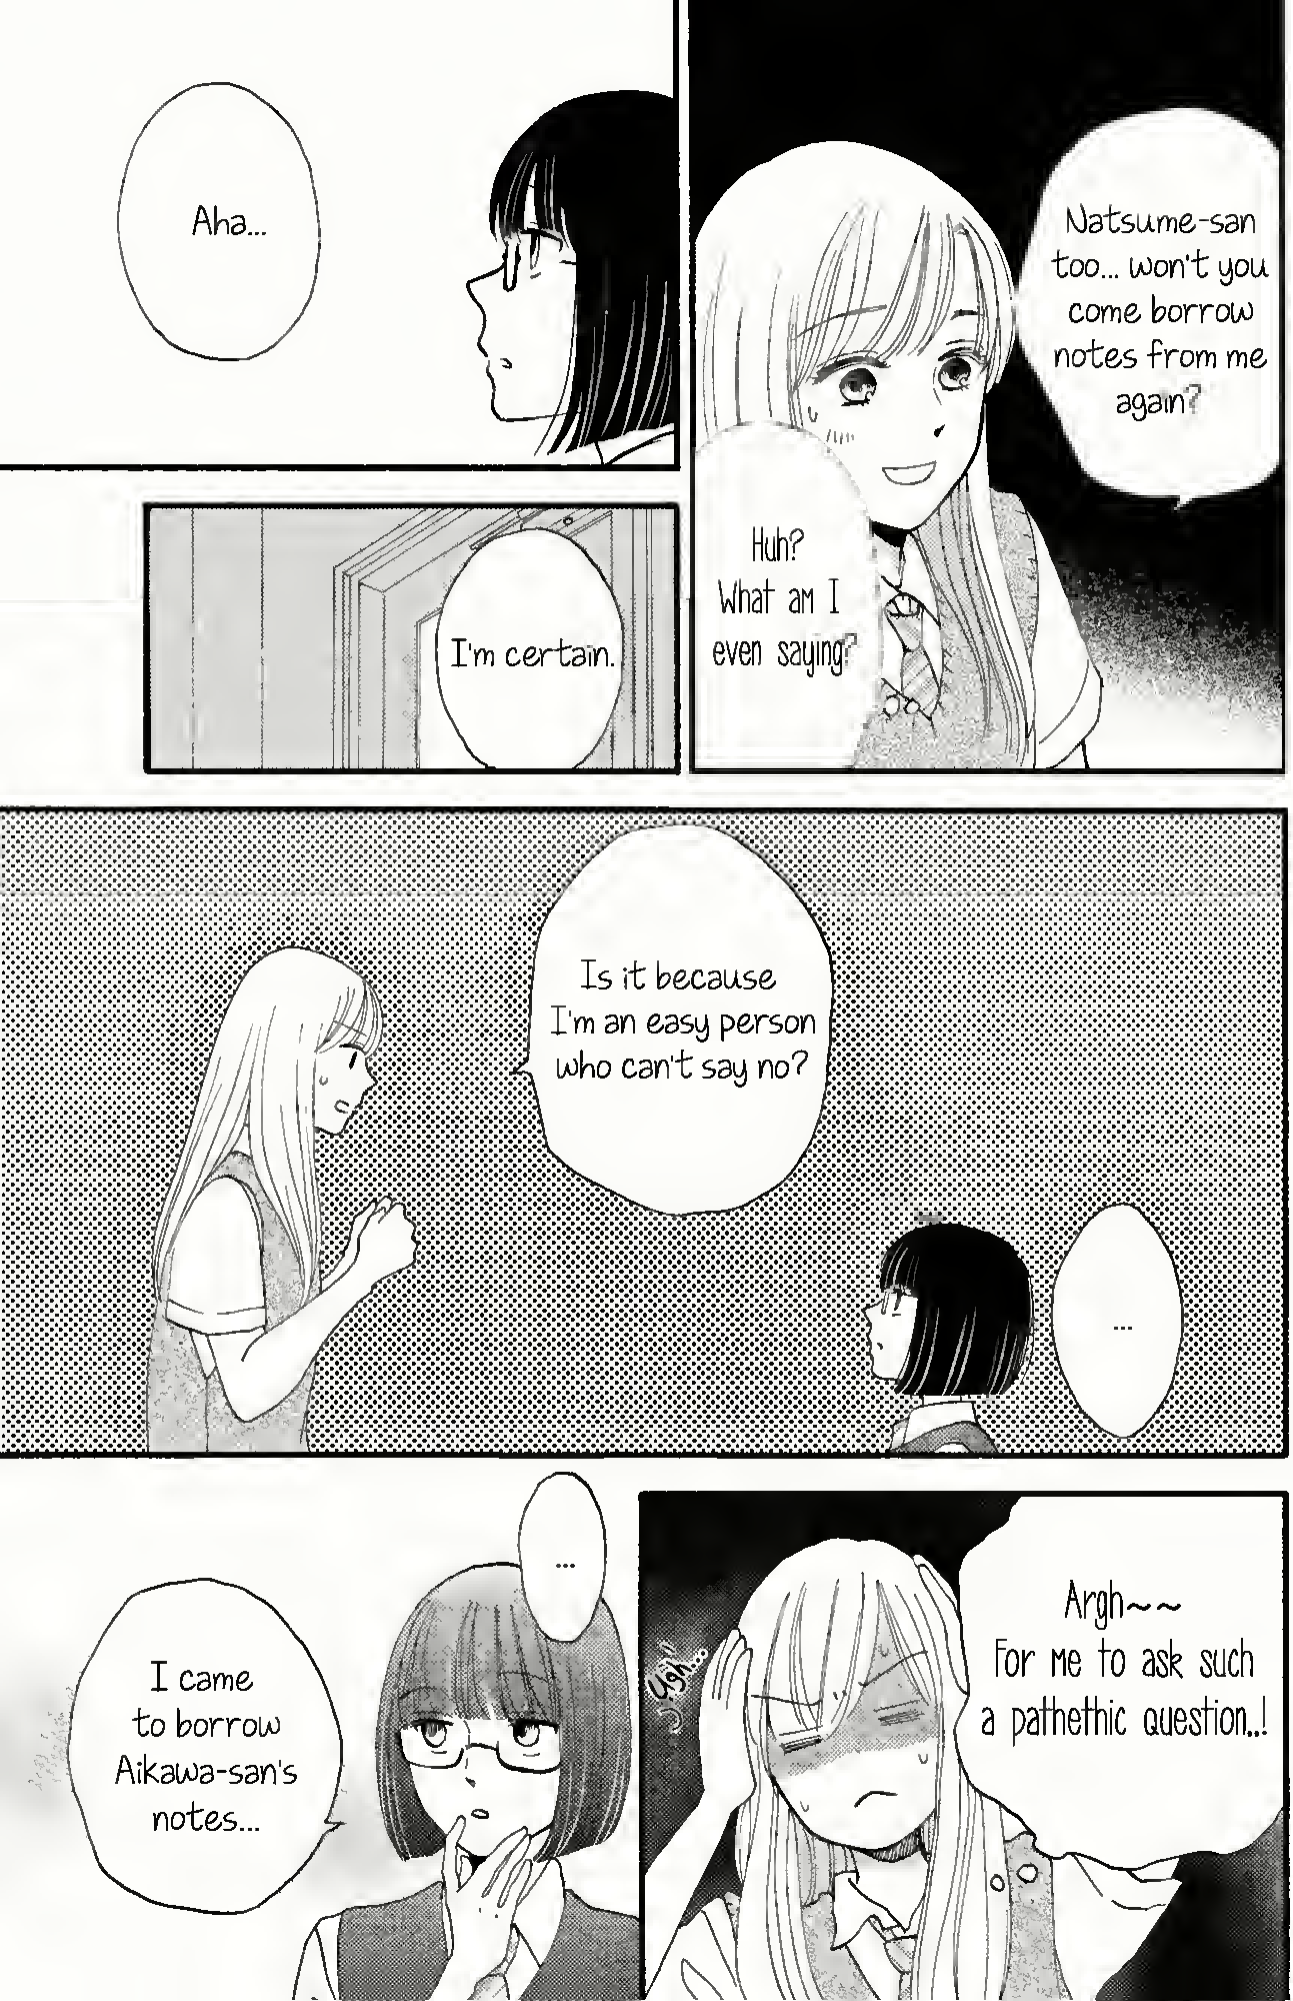
I hate being alone in the classroom.
Aikawa-san, you seem to always surround yourself with people.
Nope... I like being alone, but

Even though I like to be alone,

that uncomfortable feeling,
what was it?

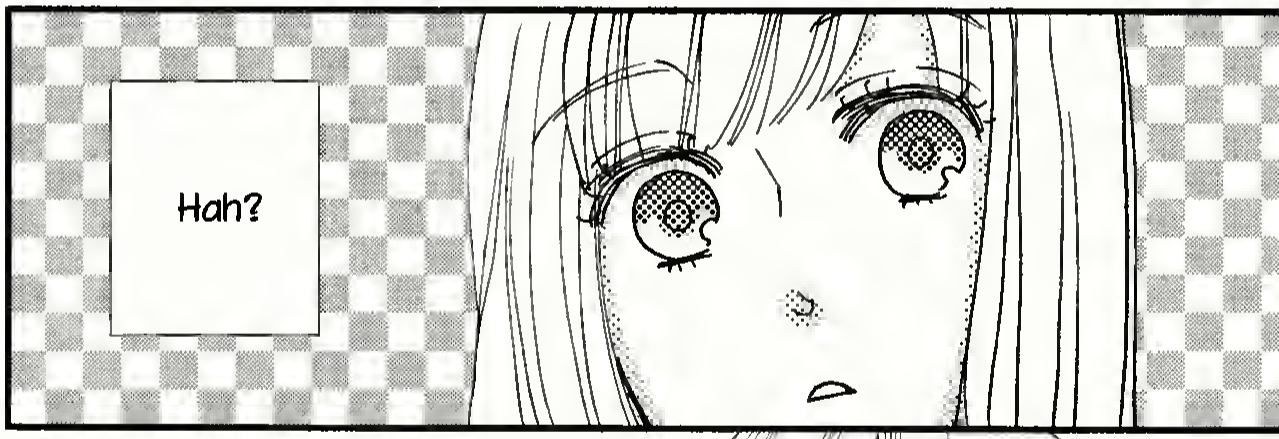
That's why
I did my best, but...

Natsume-san too...
Not that I really mind it, but still...
Before I realized it, I ended up being everyone's lackey...



Aha...
Natsume-san too... won't you come borrow notes from me again?
Huh? What am I even saying?
I'm certain.
Is it because I'm an easy person who can't say no?
...
Argh~~ For me to ask such a pathethic question..!
Ugh...
...
I came to borrow Aikawa-san's notes...

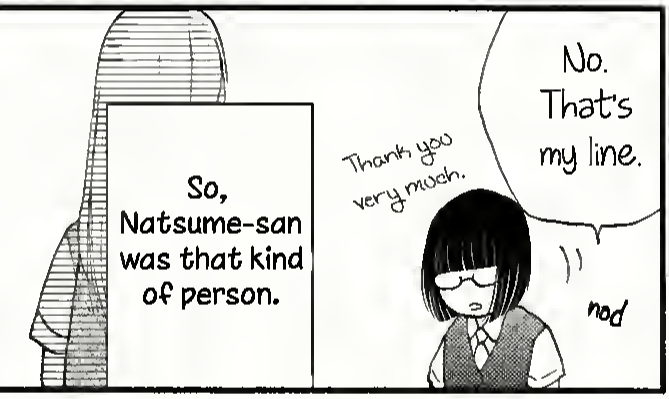
because you were most my type.



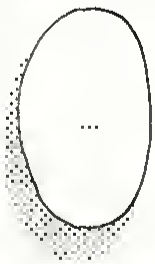
Hah?

Anyhow, I figured, I might as well borrow them from a cute girl...
I think your face's the cutest in our class.
Your face.

Ah...
Thank you...
I had no idea.

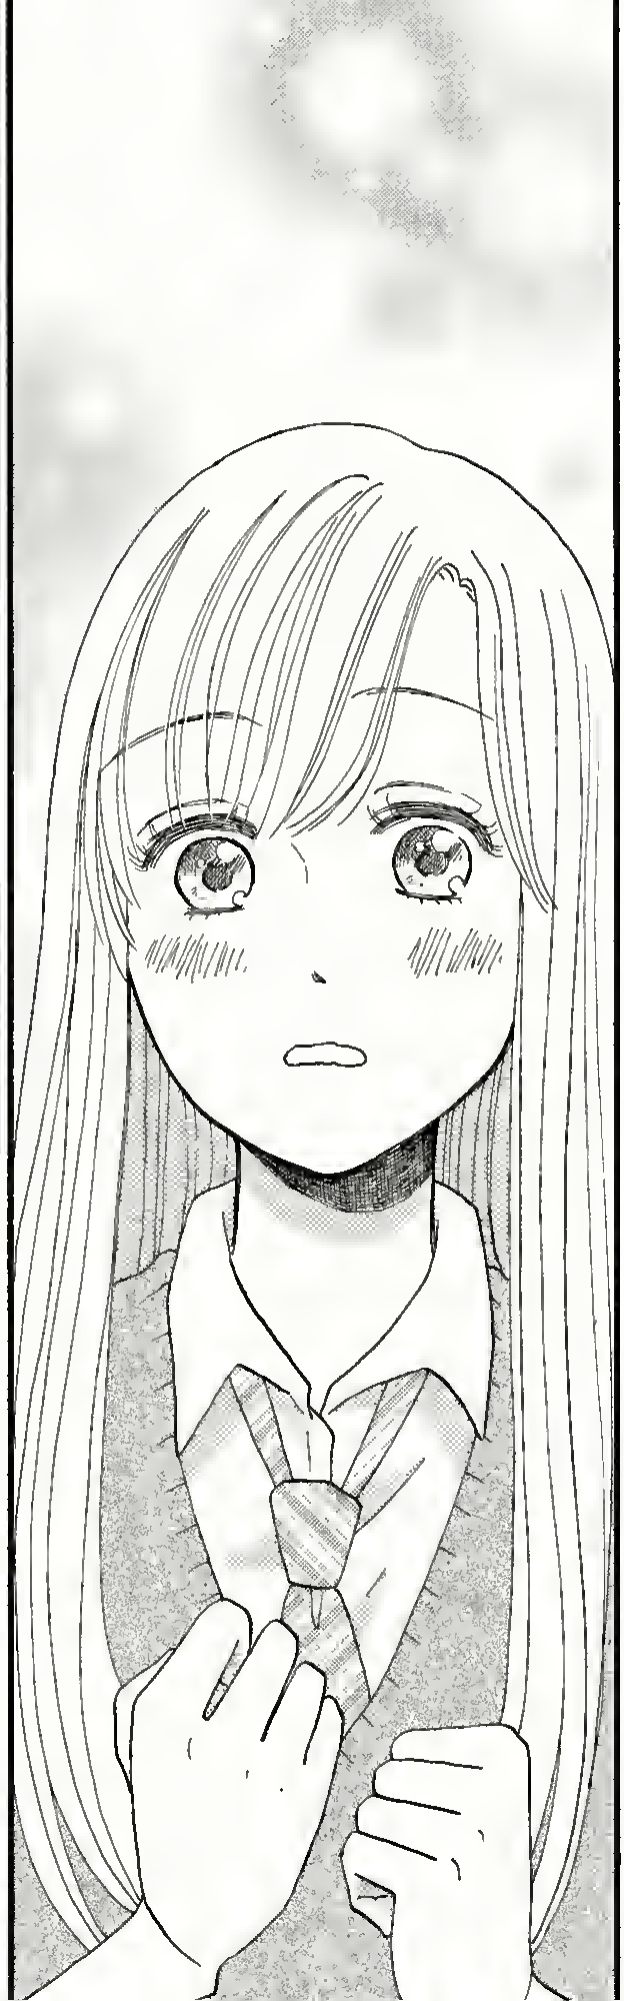


No. That's my line.
Thank you very much.
nod
So, Natsume-san was that kind of person.



...

Can I stay here just a little bit longer?



Being complimented so bluntly
makes me happy.
If you stay quiet.
I will, I will!
gently
Ask whenever you want! I'll lend you my notes!
Everyday, even!
...
...won't I end up turning into an idiot that way?
...ah. Right...

Even though she said that, will she come borrow them tomorrow?

to be continued...
